Forgot your password?

Simple steps to reset your password

Verify by Reserved Email

You'll find a QR code

Scan QR code using Hik-Connect

Then your email will receive a verification code

- You need to use the Hik-Connect App for this function.
- If you are not registered, you can log in the Hik-Connect by " visitor mode ".
- How to scan the QR code? Click "more" on the bottom menu, then click "Reset Device Password" to scan the QR code.

Key in the verification code

XXXXXXXX

Available models
